

#1 Cochran Puts KACIN in the Driver's Seat

As Pittsburgh's largest auto dealer continues to expand, it turns to **KACIN** General Contractors.

#1 Cochran's new Subaru location on Route 22 in Monroeville is the latest example of our ability to manage a job with exacting specifications and bring it to completion on-time and on-budget.

Our other work for #1 Cochran includes construction of a Hummer showroom, and of the new towered entry at the GM Megacenter, both in Monroeville. With more projects scheduled, it's a relationship that continues to grow.

If you're thinking about building or renovating commercial or industrial facilities, trust **KACIN** to meet all of your design and construction requirements. With 50 years of experience, we anticipate bumps in the road and steer you around them.
