

Bridging Classic with Modern

KACIN General Contractors honors the Westmoreland Symphony Orchestra for bringing the fine art of classical symphony to our region. Your promotion of musical enrichment through performance and education is an asset and a pleasure to us all.

For nearly 50 years, **KACIN** General Contractors has been producing high-quality workmanship and construction in the Westmoreland region. We salute others creating beauty, in all forms, for the enhancement of our area.

*On the Leader Board
of Metal Buildings.
Since 1936*
